GARDEN LEVEL

\$950

Sign Panel with Post

Outdoor Signage

Keep passersby informed about the docile nature of bees and how your hives make an environmental impact. This sign is durable and made of high-quality materials, perfect for rooftop or garden-level apiaries. Our outdoor sign also includes a QR code for those who want to learn more about our mission and how we partner with properties like yours.

Best Bees is not responsible for sign installation but will support our clients with an assembly and installation guide.
